1. PURPOSE

The purpose of this policy is to provide a safe work environment for all employees, contractors, temporary workers, and visitors at the Beaumont site by only allowing approved vehicles inside the controlled area of the site.

2. DEFINITIONS

2.1. Contractor

A non-employee engaged through a third-party agency for the performance of specific functions. These individuals:

- Perform services with the general oversight of the company, and
- Generally, do not, but may, perform services for third parties at the same time.

2.2. Employee

An individual who performs services for, and under the direction and control of, BASF Corporation ("BASF"). Such direction and control include the results to be accomplished and the methods and means by which such results are accomplished. Neither contracting firms nor contractors or temporary workers who are characterized by BASF as independent contractors are employees.

2.3. Temporary Worker

A non-employee engaged through a third-party agency for the purpose of temporarily filling a vacant authorized position, typically for a period of less than 6 months. The vacant position must be for a BASF employee and is generally due to illness, vacation, turnover, termination, etc.

2.4. Visitor

An individual who comes to a BASF site for reasons of business, duty or pleasure (by invitation). BASF employees are considered visitors at a site which is not their regular work location.
